MEMORANDUM OF UNDERSTANDING (MoU) Between

T.J.S Engineering College
And

FIIT FORMACION PVT LTD

This Memorandum of Understanding (MoU) is made and entered into on this 28th Tuesday of October, 2025, by and between T.J.S Engineering College a distinguished higher education institution located at Peruvoyal, Kavarapettai, Thiruvallur-6021206. Represented by Dr.J.PRAKASH Head of the Institution, herein after referred to as the **T.J.S Engineering College AND FIIT FORMACION PVT LTD** (short form **FIIT**), a premier IT Training and Placement Institute, having its registered office at No.8, 1st Floor, Kamaraj Nagar Main Road, Kamaraj

T.J.S

M.P. Thy

Nagar, Avadi, Chennai – 600071, represented by Mr. Pasupathy, Business Development Manager, hereinafter referred to as 'FIIT'.

1. Objective

The objective of this MoU is to create a collaborative partnership focused on enhancing students technical and employability skills through industry-oriented training, real-time internships, academic projects, and placement support.

2. Scope of Collaboration

FIIT Agrees to:

Offer industry-relevant value-added courses, including but not limited to:

- Full Stack Development (Java, Python, MERN)
- Data Science & Analytics
- Artificial Intelligence & Machine Learning
- Cybersecurity & Ethical Hacking
- Cloud Computing
- Web Development
- Tally Prime with GST, MS Office Suite

Provide internship opportunities aligned with current industry needs.

Deliver free placement training programs, including:

- Aptitude & Reasoning
- Technical Skills
- Resume Building
- GDs & Interview Skills

Facilitate academic project guidance for final-year students.

Organize placement drives and connect with hiring partners.

Engage in faculty/resource exchange and knowledge-sharing sessions.

The College Agrees to:

- Promote FIIT's programs and encourage participation.
- Provide infrastructure for training sessions.
- Integrate value-added training and projects into the academic calendar.
- Facilitate cooperation in knowledge-sharing and resource programs.

3. Duration of the MoU

This MoU shall be in effect for a period of three (3) years, from **28-10-2025** to **31-12-2028**, unless terminated earlier as per mutual agreement.

28/10/25

28/10/25

4. Termination

Either party may terminate this MoU by providing 30 days' written notice. All obligations until the date of termination shall be completed in mutual goodwill.

5. Financial Terms

All financial dealings related to training fees, internship/project facilitation, or placement services will be outlined in a separate and binding Service Level Agreement (SLA).

6. Confidentiality

Both parties shall maintain strict confidentiality regarding any proprietary or student-related information exchanged and will not disclose such information without prior written consent.

7. Dispute Resolution

Disputes, if any, shall be resolved amicably through discussion. Failing which, the matter shall be referred to arbitration under the Arbitration and Conciliation Act, 1996, with jurisdiction under the courts of Chennai, Tamil Nadu.

8. Amendments

This MoU may be revised only through a written agreement mutually signed by authorized representatives of both institutions.

9. General Provisions

- This MoU is non-binding in terms of financial liabilities.
- It reflects mutual intent to collaborate in areas of academic, training, and placement enhancement.

IN WITNESS WHEREOF

the undersigned have executed this MoU on the day and year first above written:

WHEREAS:

A) First Party is a Higher Educational Institution named:

T.J.S. ENGINEERING COLLEGE

- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest;
- E) **VEI Technologies Pvt. Ltd.**, the Second Party is engaged in IT consulting, web applications and outsourcing services through an optimized technique. It focuses on delivering business solution by modernizing, consolidating the critical applications that support client business processes.
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **T.J.S. Engineering College** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably

practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum of Department of Information Technology so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of IT students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of –**Web Development activities and services.**

- 2.6 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.7 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.8 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the **T.J.S. Engineering College**, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **VEI Technologies Pvt. Ltd.**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **VEI Technologies Pvt. Ltd.**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
